

From the Pastor's Desk:

LITTLE, BUT MIGHTY BIG SPIRITUAL TRUTHS:

Let's Begin with Water Baptism. Yes, Water Baptism is Biblical and spiritually vital. What is Water baptism? A process of salvation that is a beginning, not an end to salvation. Water baptism ignites a spiritual fire within us and helps us understand the saving knowledge of God's Word through the power of the Holy Spirit. The washing of baptism is important and a necessary help in cleansing our mind and heart through the Word of God. It is a life long commitment and process that is ignited in the Water Baptism ceremony and is fueled through a life time of dedication to reading and applying the Biblical Word of God. Through the reading of the Word, applying the Word and application of prayer, we reaffirm the spiritual sealing we received through Water Baptism. Some Christians make the mistake of thinking that Water Baptism in and of itself is a one-step and final process of salvation, but it is no more the full and final word on "salvation" than our stating Matthew 24:13, "*But he that shall endure unto the end, the same shall be saved.*" Salvation is of the Lord Jesus Christ, who is the WORD of LIFE, and He saves us through the washing and cleansing Word of God that we must feed on throughout our life. (Ephesians 5:25-27, Titus 3:5).

Israel and the reconciling of the world. When God Almighty divorced the Northern House of Israel after the passing of King Solomon, because of their incessant idolatry and craving to be as the heathen, they lost their covenantal protection and identity as Israel. They became as the heathen, which is just another Hebrew term for "gentile." But equally significant is Israel became undeserving of salvation. They became as the heathen, or even "**no better or deserving of salvation than the heathen.**" **This qualifies the heathen/gentile people for salvation.** When Israel broke the Mosaic marriage covenant,

they became no more deserving of salvation than the gentiles/heathen. The whole first chapter of Hosea deals with this lost and found condition of Israel. In particular verses 9 and 10:

⁹ Then said God, Call his name Lo-ammi: for ye are not my people, and I will not be your God.¹⁰ Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God.

Notice in verse 9, it says, "*for ye are not my people,*" and yet in verse 10, Israel is prophesied to become "*the sons of the living God.*" Then in Romans 10: 18 & 19, the Apostle Paul states:

¹⁸ But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world.¹⁹ But I say, Did not Israel know? First Moses saith, I will provoke you to jealousy by them that are no people, and by a foolish nation I will anger you.

The sound of what God Almighty had done with Covenant Israel went throughout all the earth, both in the giving of His Marriage Covenant unto them, and their unfaithfulness unto Him whereupon He eventually had to divorce them, and they became "**NO PEOPLE,**" as stated in verse 19. It was no secret what God had done unto Israel, but the eventual redemption and restoration of Israel, became good news of Salvation for the eventual reconciliation of the world (Romans 11:15). The people and nations of regathered Israel who formally had become as the heathen and literally lost their identity in their various wanderings and migrations, are in fact the Anglo-Saxon, Scandinavian, Germanic, and kindred people. But, when Yahweh divorced them, they lost their old

Israel identity, and they became a “no people,” or as Hosea 1:9 told us, “not my people.” In other words, they (divorced Israel) became as the heathen.

This is why **“SALVATION CAME UNTO THE GENTILES.”** [Remember this word Gentiles DOES NOT mean nonJew as used today. It means “nations.” For a study on this order our tract *A Study into the Meaning of the Word Gentile.*] Thus, they needed “salvation,” and **“THE CASTING AWAY OF THEM (DIVORCED ISRAEL),”** led to the **“RECONCILING OF THE WORLD.”**

Romans 11:11-15

11 I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles [nations], for to provoke them to jealousy.¹² Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles [nations]; how much more their fulness?¹³ For I speak to you Gentiles [divorced Israel nations], inasmuch as I am the apostle of the Gentiles [divorced Israel nations], I magnify mine office:¹⁴ If by any means I may provoke to emulation them which are my flesh, and might save some of them.¹⁵ For if the casting away of them [Israel] be the reconciling of the world, what shall the receiving of them be, but life from the dead?

The last spiritual truth I will share with you in this newsletter, concerns the blindness upon the end-time Anglo-Israel people.

Romans 11:25

For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles [nations] be come in.

To remove the blindness, Israel must first go through a period of darkness, strange as this may sound. Their eyes must be covered to keep out the Light for a period of time in order to give them time to reset, much like a computer needs to be shut down from time to time to correct or purge itself, and become “refreshed.” So the “blindness upon Israel,” is a

necessary part of our design that our Creator has programmed into our being.

The cover of darkness, though necessary for a period of time, has to eventually be removed. Israel’s eyes will have to come into the Light, because their carnal mind (THAT OLD WORM, or VIRUS) was misdirecting them. Quite literally, in our old nature, we could not see or comprehend the Light. The only way the blindness of Israel could be removed, is by being “born-again,” (or dare I say, reprogrammed) and “putting on the Mind of Christ (getting a new memory of restoration.” AND BEHOLD, ALL THINGS BECOME NEW.

Revelation 21:5

And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

Dear friends, we must put on the Lord Jesus Christ. We must become new creatures in Christ Jesus. We must come out of the darkness and into His marvelous Light. We must become blameless ...the sons of God:

Philippians 2:15

That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world.

Pastor Barley

Sunday Morning USA (It’s a blessing)

Check out the man standing numbly by the church coffee bar talking about his impending divorce. Listen to the voice of the Christian mother as she frantically asks people to pray for her teenage son who’s just been arrested on drug charges. Then take a moment to watch the expressions on these same faces as they settle in for a sermon on how to become a better spouse...a better parent...a better you.

What’s wrong with this picture? Why are so many Christians disheartened? You don’t have to be a modern-day prophet to hear all the unanswered questions burning in the minds of American believers. Many of us seem to be silently repeating the words from that old song:

I want to know what became of the change

***We waited for love to bring;
Were they only the fitful dreams
Of some greater awakening?"***

Singer Jackson Browne; Song-The Pretender

What about that change we waited for God's love to bring? What happened to the zeal we once knew as we reached out to grasp the pearl of great price? We felt incredible feelings, sang inspiring songs, listened to awesome testimonies, experienced spiritual revelation and absolutely believed in miraculous intervention.

Why then have so many of us lost our focus? Or could it be that, like the Galatians, our focus has been misplaced? Would the apostle Paul say to us, ***"Are you so foolish? Having begun by the Spirit, are you now being perfected by the flesh?"*** Galatians 3:3 I believe my answer would have to be "yes."

When I became a Christian twenty-seven years ago, I lived and moved and found my being in Jesus. I believed in the rising of the Son more than I believed in the coming of the dawn, because my focus was Christ.

But as the years went by, churches split. Plans failed. Leaders stumbled. Ministries tumbled. My heart grew cold. Disappointment after disappointment, I stopped focusing on the wounds of Christ and started tending to my own.

This didn't happen overnight, but year after year, my reckless trust in the things of God began to diminish. Like so many in my generation, hope deferred made my heart sick, and so I began to protect myself, rely on myself, comfort myself and medicate myself with food, fun, friends and feelings. Having begun in the Spirit, I now chose to continue in the flesh. To put it bluntly, the lights in my darkened understanding began to flicker.

But four years ago, I began to realize how much my focus had shifted to the things of earth rather than to the things above. Whereas my greatest desire had once been for Jesus, it had gradually morphed into a desire to create a better planet upon which my better self could live.

Instead of focusing on the host of the armies of heaven, I see now that I remade Christ into the host of "Let's Make A Deal." Instead of reaching out for the keys of the kingdom of heaven, I wanted Him to hand me the key to Door #3 (the one with "ABUNDANT LIFE" written on it in big gold letters).

I couldn't wait to open that door, because inside I was sure to find health, wealth, happiness and the love I deserved. But I forgot one essential truth. Being a Christian isn't about being healthy, wealthy or happy. It's not even about finding true love. It's about following Jesus. Remember...the cross before me, the world behind me...though none go with me, still I will follow...no turning back? No turning back.

So why did I want to turn back? Why do many of us want to turn back? Because when life on earth becomes our focus, the unending sorrow of human existence makes our hearts sick. C.S. Lewis commented on this very problem when he wrote, "Aim at heaven and you will get earth thrown in; aim at earth, and you will get neither."

I believe that, in the past few decades, many believers have aimed at earth and come up empty. But this wasn't always the case.

Until about 100 years ago, human beings didn't need to be reminded to focus on eternity. Poverty, disease, war, famine, hardship and trouble were the norm for most believers prior to the 20th Century. You didn't need to tell a coal miner that heaven is a better place; you didn't have to remind an 18-year-old about to walk onto a battlefield that this world is not our home. A mother who loses three out of five children before they reach adulthood doesn't put all her hope in this brief existence, and a man trying to feed his family with a mule and 40 acres isn't mistaking a dirt farm for the promised land.

But things have changed for most Americans. Human life is a more pleasant experience these days, complete with exciting food, comfortable churches, luxurious vacations, spacious homes and endless entertainment. Who needs to focus on eternity when earth is so full of good things?

As our lifestyles have become richer, our faith has become poorer. As we seek to satisfy our earthly desires, we have ceased to desire heaven. And consequently, we are offended when life doesn't treat us in the style to which we have become accustomed.

Americans are surly when our lattes aren't hot enough...angered when the car in front of us doesn't drive fast enough...insulted when service isn't professional enough...enraged when we aren't treated well enough...and self-pitying when faced with unexpected trials and tribulations.

How far we have fallen from the words of scripture, which tells us to: ***"Consider it all JOY...when you***

encounter various trials, knowing that the testing of your faith produces endurance.” (James 1:2-3)

As for me, I have decided to “return to [my] first love” and “do the deeds [I] did at first” (Revelation. 2:4-5). In 2011, my only goal is to move BACKWARDS to faith in the finished work of Christ and FORWARD to maturity in Christ...Selah

"The three great rights are so bound together as to be essentially one right. To give a man his life, but deny him his liberty, is to take from him all that makes his life worth living. To give him his liberty, but take from him the property which is the fruit and badge of his liberty, is to still leave him a slave."

Virginia's Black Confederates

By Walter E. Williams

One tragedy of war is that its victors write its history and often do so with bias and dishonesty. That's true about our War of 1861, erroneously called a civil war. Civil wars, by the way, are when two or more parties attempt to take over the central government. Jefferson Davis no more wanted to take over Washington, D.C., than George Washington, in 1776, wanted to take over London. Both wars were wars of independence.

Kevin Sieff, staff writer for *The Washington Post*, penned an article "Virginia 4th-grade textbook criticized over claims on black Confederate soldiers," (Oct. 20, 2010). The textbook says that blacks fought on the side of the Confederacy. Sieff claims that "Scholars are nearly unanimous in calling these accounts of black Confederate soldiers a misrepresentation of history." William & Mary historian Carol Sheriff said, "It is disconcerting that the next generation is being taught history based on an unfounded claim instead of accepted scholarship." Let's examine that accepted scholarship.

In April 1861, a Petersburg, Va., newspaper proposed "three cheers for the patriotic free Negroes of Lynchburg" after 70 blacks offered "to act in whatever capacity may be assigned to them" in defense of Virginia. Ex-slave Frederick Douglass observed, "There are at the present moment, many colored men in the Confederate Army doing duty not only as cooks, servants and laborers, but as real soldiers, having muskets on their shoulders and bullets in their pockets, ready to shoot down ... and do all that soldiers may do to destroy the Federal government."

Charles H. Wesley, a distinguished black historian who lived from 1891 to 1987, wrote "The Employment of Negroes as Soldiers in the Confederate Army," in the *Journal of Negro History* (1919). He says, "Seventy free blacks enlisted in the Confederate Army in Lynchburg, Virginia. Sixteen companies (1,600) of free men of color marched through Augusta, Georgia on their way to fight in Virginia."

Wesley cites Horace Greeley's *American Conflict* (1866) saying, "For more than two years, Negroes had been extensively employed in belligerent operations by the Confederacy. They had been embodied and drilled as rebel soldiers and had paraded with white troops at a time when this would not have been tolerated in the armies of the Union."

Wesley goes on to say, "An observer in Charleston at the outbreak of the war noted the preparation for war, and called particular attention to the thousand Negroes who, so far from inclining to insurrections, were grinning from ear to ear at the prospect of shooting the Yankees."

One would have to be stupid to think that blacks were fighting in order to preserve slavery. What's untaught in most history classes is that it is relatively recent that we Americans think of ourselves as citizens of United States. For most of our history, we thought of ourselves as citizens of Virginia, citizens of New York and citizens of whatever state in which we resided.

Wesley says, "To the majority of the Negroes, as to all the South, the invading armies of the Union seemed to be ruthlessly attacking independent States, invading the beloved homeland and trampling upon all that these men held dear." Blacks have fought in all of our wars both before and after slavery, in hopes of better treatment afterwards.

Denying the role, and thereby cheapening the memory, of the Confederacy's slaves and freemen who fought in a failed war of independence is part of the agenda to cover up Abraham Lincoln's unconstitutional acts to prevent Southern secession. Did states have a right to secede? At the 1787 Constitutional Convention, James Madison rejected a proposal that would allow the federal government to suppress a seceding state. He said, "A Union of the States containing such an ingredient seemed to provide for its own destruction. The use of force against a State would look more like a declaration of war than an infliction of punishment and would probably be considered by the party attacked as a dissolution of all previous compacts by which it might be bound."

OUR JEWISH PROBLEM

by Pastor Barley

"But the Palestine problem, like the ghost in an Elizabethan drama, would not stay "down." In the post-war years (1945 and after), Jewish immigrants mostly from the Soviet Union or satellite states poured into the land once known as "Holy." These immigrants were largely Marxist in outlook and principally of Khazar antecedents. As the immigration progressed, the situation between Moslems and this new type of Jew became tense." (from THE IRON CURTAIN OVER AMERICA, by John Beaty, page 123)

I'm sure many of you have noticed that there has been an inordinate amount of fear mongering being perpetrated by the Zionist controlled media, and believe me it is a Zionist controlled media (What a shock people like Sarah Palin and Glenn Beck are in for one day when they get their head out of the Kosher sand). This being said, I want to preface this article by letting you know that there are different sects and factions of Jews. In fact there are anti-Zionist Jews and pro-Zionist Jews. This article will mainly deal with Zionist Jews. I am also aware that International-Globalist Jews like George Soros may appear to be anti-Zionist, to which I would warn, he is the fox in the hen house.

Now, I know that many of you are wondering about Mubarak? Well, he had to be removed, as the Zionist chess game is ready to make a major move and it is time to get rid of that pawn. We will soon know what direction they want to take Egypt and if the old Jerusalem is in any danger of being blown off the face of the planet. Personally, I do not think this is going to happen, at least not anytime soon. I do think that the Arab nations are being set up for severe forms of economic plunder that will be designed to turn the Arab people against their religious leaders. Religiously, the Arab people are ripe for some major manipulation, so I will be looking for this and the various ways the Muslim religious control over the people will be manipulated like they did with Christianity by turning it into Judeo-Christianity, a yen and yang perversion.

I'm sure that you have been hearing much about a group called "The Muslim Brotherhood," and assorted fear mongering spouted by a variety of talk show hosts, politicians, and even the Zionist loyalist religious right, especially by their main man, John Hagee. Someone recently sent me one of his special letters to his supporters, in which he is spewing the Zionist party line diatribe of impending Jewish persecution of a doomsday scenario instigated by a Muslim league of nations bent on attacking and destroying Israeli Palestine. Well, this is utter hogwash. Nonetheless, I shall quote from portions of this letter to his loyal Zionist-Christian supporters, with some of my comments injected throughout:

"Israel will be surrounded by hostile nations screaming for their blood! America's economy is determined by the price of oil and Egypt will have the power to block the Suez Canal and Iran will have the power to block the Strait of Hormuz. [ED NOTE: Hagee is certainly entitled to his opinion, but the Arab people are not as dumb as he thinks. If the Suez Canal is blocked, you can bet that Soros' henchmen are behind it to manipulate the price of oil.]

Result? America's economic future will be determined by nations that hate us and call us the Great Satan. [ED NOTE: Jewish debt usury banking scam has ruined and continues to destabilize not only our economy, but that of many other nations as well. But you will never hear Hagee preach against or expose the Jewish banking cartel. Also, concerning the Arab oil, author Gary Allen claims that there is a Rockefeller-Kissinger maneuver that is designed to manipulate the oil market that involves a crisis which

threatens to bring about a worldwide depression. Well isn't that what we are seeing happening before our very eyes today? I ask you friends, do you really believe that the big economic crash two years ago was an accident, or a planned manipulation to rearrange the world economy? There are international capitalists who have no allegiance to the United States of America including Rockefeller trusts and George Soros international corporate holdings. The global-warming crisis is another contrived emergency that is manipulated in part by HAARP (High-frequency Active Aurora Research Program), a government program that can manipulate the world's ionosphere, and is said to be able to create strange powerful weather patterns, and even jam all global communications, and even interfere with migration patterns of birds. Remember the recent flock of birds mysteriously dying? Some type of perverted science was behind this.]

What are you seeing happen in the Middle East prophetically? You are seeing the Kings of the South come together with lightning speed.

Egypt has an army of one million men armed with 1500 Abram Tanks which are America's best. We sold them to Egypt along with hundreds of our latest and greatest fighter jets because Egypt was controlled by Mubarak who was America's friend. Can you imagine what Israel faces with Iran, Egypt, Syria, Turkey and Russia coming after them? The prophet Ezekiel clearly predicted this battle thousands of years ago and you are watching the players get into position with lightning speed.

Jesus said: "When you see these signs, lift up your head and rejoice. Your redemption draweth nigh." Simply stated: The King is coming! Get ready! Planet earth is about to become the playground for the Anti-Christ and his New World Order. The church will be raptured before the Anti-Christ appears; and I believe he could be introduced in Europe at any time. Pray up! Pack up! We're going up...and very soon.- Pastor John Hagee (end)

CLOSING COMMENTS ABOUT HAGEEISM

Those are some of Hagee's dispensational views. The sad truth is Hagee would sell out America for the advancement of Zionism. His strong Zionist political influence upon many Congressional members is most alarming.

Need I remind you what the Bible says about antichrists? The Jews are not above the Word of God. They are an antichrist people for the most part, and as Jesus warned, *"those who are not with me, are against me. (Matt. 12:30)"* In fact, the Scriptures warn us *"not to even bid them (the antichrists) God's speed. (2 John 1:9-11)"* But John Hagee is so full of Zionist zeal to cater to every whim and need of the Israeli Jews, that such Scripture verses seem to have no application in his messages to the nation. Remember, the Bible warns about "many antichrists" (plural), yet Hagee and his dispensational views only want to harp on one antichrist world dictator, and this purposeful distraction is to keep the masses ignorant of the damage that is being done by "many antichrists" of the hidden hand of Jewry.

Yes, I know that is considered blasphemy by Judeo-Christians, and this is their main problem, they will not dare question or research what I am saying with an open mind for the truth, because in their mind, "to question the Jew (whom they believe are God's chosen people), is BLASPHEMY. Therefore, in their thinking, the Jews are immune from being characterized as "antichrists" despite any facts to the contrary.

Here is what is happening for those who have ears to hear. The US foreign policy is heavily biased and controlled by the Israeli lobby AIPAC. It is a conspiracy that if ever exposed to the American people would shake the very foundations of Mystery Babylon. Most Christians would be astonished at the vile things that would pour out of this harlot system and it would bring them to their knees in utmost repentance. There is a reason politicians don't want U.S. support of Israeli Zionism listed as a root cause of unrest in the Middle-East. The Jews are using the Muslim Brotherhood as a fall guy, because nobody except the extreme Muslims wants the Brotherhood in power. The International Zionists are letting them become a problem and a dangerous enemy on purpose so they can manipulate these Muslims.

Make no mistake, the Jews plan to gain in this Egyptian uprising, and will soon push for more Palestinian land, but their real objective is for a global economy. The set-up is in place. Politicians and the media are carefully playing the hand that is being dealt them by their Zionist script writers. But again, the average American does not see and is not aware of the overwhelming Jewish dominance over the media, Washington D.C., and the international banking cartel they control behind the scene. They only see the puppet media personalities and assorted Washington actors, not the hidden hand of the antichrists treason. People like me who expose this truth are painted by these corrupters as bad, wicked, and even terrible for warning

people of this, and I am even branded with the unforgiveable label “anti-Semitic.” But look deeper friends, the Jews are not true “Semites,” they are Edomite Khazars. Please read Arthur Koestler’s book, *THE THIRTEENTH TRIBE*, which you can order through this ministry, and I would also highly recommend reading Pastor Sheldon Emry’s booklet, *THE MARKS OF ISRAEL*.

Yes, there are dangerous Muslim factions, but not near as dangerous as we have been led to believe. Many of you have forgotten though, that this whole Middle-East war is based upon fraud and deception. Iraq did not have nuclear weapons of mass destruction, but Israel does, in fact they have well over 200 nuclear bombs and missiles. And no one seems to know why the Arabs hate and distrust the Israeli Jews so much? Is it just over some land dispute the Israeli’s are having with the Palestinians, or does it go much deeper than this?

Think about this bit of history revealed by John Beaty in his highly acclaimed book, *THE IRON CURTAIN OVER AMERICA*, page 217:

“The evil we did in Palestine may be our nemesis in Iran and in Egypt! The truth is that because of America’s sponsoring of bloody little “Israel” – and Britain’s falling in line – the Moslem Middle East resents the presence of the previously respected and admired Anglo-Saxon powers (Mr. Churchill’s speech).

Moreover, the Zionists are not quiescent. The summer of 1951 saw clashes on the “Israeli” frontiers and the exposure of Zionist schemes in other parts of the Middle East. Here is a sample:

Baghdad, Iraq, June 18 (AP) – Police said today they had discovered large quantities of weapons and explosives in Izra Daoud Synagogue. Military sources estimated it was enough to dynamite all Baghdad. This was the latest discovery reported by police, who said yesterday they found a large store of machine guns, bombs, and ammunition in the former home of a prominent Jew.

After details of other discoveries the dispatch concludes, “Police said the ammunition was stored by the Baghdad Zionist Society, which was described as a branch of the World Zionist Organization” (New York Times, June 19, 1951).

In spite of our deserved low reputation in the Moslem world, American counter-moves of some sort to save Middle East oil and the Suez Canal are imperative. The proper approach is obvious, but will our government make it? “The Moslems and those allied with them religiously and sympathetically, compose almost one-

half of the world’s people who control almost one-half of the world’s land area. We infuriated them when we helped to drive a million Arabs from their native lands in the Middle East” (Newsletter of Congressman Ed Gossett of Texas, February 1, 1951).

Please, let us not be so ignorant as to believe that the Jews are but mere innocent victims. The truth of the matter is the Arab people have learned that the Talmudic Jew is beyond the old Jerusalem, they are the International Jew (like George Soros) with an international web of financial cartels that have been the perpetrators of wars, political corruption and destabilization. All you have to do is look at our beloved America and what has happened to this once great nation over the past 100 years. Who would have dreamed that even 50 years ago we would have government sanctioned abortion, flagrant homosexuality, a multi-billion internet pornography industry, foul vulgar pornographic language and images on TV, and blatant attacks against Jesus Christ and the Word of God that go beyond mere hate crimes. The American people simply have not understood this enemy element for what it is and have even opened the doors to their churches and the very politics of the nation to its ungodly influence, all the time not aware that it is the enemy within. If people really understood the true nature, purpose, and intent of Talmudic Jewry, it would make the hairs of their head stand up, upon seeing the reality of Jewish supremacy and the atmosphere of unwholesomeness they create.

Glenn Beck has also been busy trying to portray the “Muslim Brotherhood,” as “Communists and Socialists,” but dares not say a word about Jewish Communism, and the fact that Communism is Jewish inspired and manipulated from the time of Bolshevism to the present, and America is heavily under the very planks of the Communist Manifesto today. But Glenn Beck is too busy diverting the attention of his public viewers away from this reality. Lastly, I am convinced that the unraveling in the Middle East is of the Sovereign Hand of Jesus Christ our coming King. Babylonian Jewry is failing and the handwriting is on the wall. The signs are becoming more evident, the chains of Mystery Babylon shall be broken. May the true Covenant Israel people again hear those words of freedom, “THUS SAITH THE LORD, LET MY PEOPLE GO, THAT THEY MAY SERVE ME.” (Exodus 8:1) -- *Most Sincerely, Pastor Barley*

So Simple a Caveman Could Understand:

Why did Bernie Madoff go to prison? To make it simple, he talked people into investing with him. Trouble was he didn't invest their money. As time rolled on he simply took the money from the new investors to pay off the old investors. Finally there were too many old investors and not enough money from new investors coming in to keep the payments going. Next thing you know Madoff is one of the most hated men in America and he is off to jail. Some of you know this, but not enough of you.

Madoff did to his investors what the government has been doing to us for over 70 years with Social Security. There is no meaningful difference between the two schemes, except that one was operated by a private individual who is now in jail, and the other is operated by politicians who enjoy perks, privileges and status in spite of their actions.

BERNIE MADOFF	SOCIAL SECURITY
Takes money from investors with the promise that the money will be invested and made available to them later.	Takes money from wage earners with the promise that the money will be invested in a "Trust Fund" and made available later.
Instead of investing the money Madoff spends it on nice homes in the Hamptons and yachts.	Instead of depositing money in a Trust Fund the politicians use it for general spending and vote buying.
When the time comes to pay the investors back Madoff simply uses some of the new funds from newer investors to pay back the older investors.	When benefits for older investors become due the politicians pay them with money taken from younger and newer wage earners to pay the geezers.
When Madoff's scheme is discovered all hell breaks loose. New investors won't give him any more cash.	When Social Security runs out of money they simply force the taxpayers to send them some more.
Bernie Madoff is in jail.	Politicians remain in Washington.

PLEASE HELP!

Dear friends,

I have resisted asking for your financial help over the last many months because of the state of the economy. But the time has come that I simply must ask you for help. We have had many increased costs and unexpected expenses as we know many of you have as well. Please pray about this and help us if you can. We fully believe that the Lord Jesus Christ will bless you for this. Remember, any amount from each person makes a significant difference. Won't you please consider making a consistent monthly gift to further God's Word to Christian Israel?—

May the Lord Jesus bless all of you in this time of Jacob's trouble,

Pastor Barley
